The Company is an investment holding company. The principal activities of the Company’s subsidiaries are set out in note 19 to the consolidated financial statements.

## 2. BASIS OF PREPARATION

### **Suspension of trading in shares of the Company**

References are made to the Company’s announcements dated 6 June 2013 and 19 June 2013 respectively in relation to, among others things, clarification of the press release and delay in publication of the audited consolidated financial statements of the Company and its subsidiaries (collectively “the Group”) for the year ended 31 December 2012. At the request of the Company, trading in shares of the Company has been suspended since 6 June 2013.

On 5 September 2013, the Stock Exchange issued a letter to the Company stating that it considers it appropriate to impose on the Company the following conditions for resumption of trading in the shares of the Company (the “1st Resumption Conditions”):

- (i) publish all outstanding financial results required by the Rules Governing the Listing of Securities on the Stock Exchange (the “Listing Rules”) and address any audit qualifications; and
- (ii) complete the independent board committee’s review on the circumstances that had led to the publication of the announcement of the Company dated 28 March 2013 in relation to the Company’s results for the year ended 31 December 2012 and the delay in the dispatch of its 2012 annual report as part of an assessment of the Company’s internal systems and controls, and address any issues identified by the independent board committee, with appropriate disclosure.

Reference is made to the Company’s announcement dated 30 April 2014, certain Company’s subsidiaries in the People’s Republic of China (the “PRC”) have encountered labour disputes since the layoff of employees in the respective subsidiaries of the Company from October 2013 (the “Labour Disputes Event”). The former directors and the chairman of the Company’s board (the “Board”) of directors (the “Directors”) have noticed in March 2014 that certain information and documents were missing and suspected to be removed by previous employees of the Company’s PRC subsidiaries during the Labour Disputes Event (the “Missing Documents”).

For the period from June 2013 to May 2014, there were several changes in the Directors of the Company and senior management of the Group including (i) resignation of three executive Directors on 12 November 2013 and 25 May 2014; (ii) appointment of two new executive Directors on 23 May 2014; (iii) resignation of an executive Director (also as the chief financial officer and the company secretary) on 27 September 2013; and (iv) appointment of the new chief financial officer and the company secretary on 22 October 2013 and 7 October 2013.

Reference is made to the Company's announcement dated 4 July 2014, the Board confirmed that a Bank in PRC issued and filed a writ of summons against a PRC subsidiary of the Company for a breach of loan agreements due to default in repayments of loans in the aggregate principal amount of RMB170 million and all related interests.

By a letter dated 15 January 2015, the Stock Exchange informed the Company was placed in the first stage of the delisting procedures under Practice Note 17 ("PN 17") to the Listing Rules, and the Company was required to submit a viable resumption proposal before 14 July 2015, to address the following resumption conditions (the "2nd Resumption Conditions"):

- (i) address the 1st Resumption Conditions imposed by the Stock Exchange;
- (ii) demonstrate sufficient operations or assets under Rule 13.24 of the Listing Rules; and
- (iii) demonstrate that the Company has an adequate financial reporting system and internal control procedures to meet its obligations under the Listing Rules.

The Company submitted its resumption proposal (the "Resumption Proposal") in response to the 2nd Resumption Conditions to the Stock Exchange on 26 June 2015. Following their submission, the Company received a letter from the Stock Exchange on 28 July 2015 stating, amongst others, that the first delisting stage was expired on 14 July 2015 and the Stock Exchange considered that the Resumption Proposal failed to satisfy the 2nd Resumption Conditions. Upon to the abovementioned, the Company was placed in the second delisting stage under PN 17 to the Listing Rules, and the Company was required to submit a viable resumption proposal at least 10 business days before 27 January 2016, to address the following resumption conditions (the "3rd Resumption Conditions"):

- (i) publish all outstanding financial results and address any audit qualifications;
- (ii) demonstrate sufficient operations or assets under Rule 13.24 of the Listing Rules;
- (iii) complete the independent board committee's review on relevant audit issues as stated in the announcement of the Company dated 19 June 2013 (the "Audit Issues") and circumstances that had led to the publication of the preliminary results announcement and the delay in the dispatch of the Company's annual report for the year ended 31 December 2012, address any issues identified by the independent board committee, address the Stock Exchange's concerns on whether the Audit Issues indicate any irregularities and demonstrate that there is no reasonable regulatory concern about management integrity which will pose a risk to investors and damage market confidence; and
- (iv) demonstrate that the Company has an adequate financial reporting system and internal control procedures to meet its obligations under the Listing Rules.

At the end of the second delisting stage, the Company did not provide a viable resumption proposal to the Stock Exchange to demonstrate its sufficiency of operations or assets for listing. Therefore, the Stock Exchange placed the Company in the third delisting stage on 9 March 2016. If the Company fails to submit a viable resumption proposal to address the 3rd Resumption Conditions to the Stock Exchange at the end of the third delisting stage (i.e. 8 September 2016), the Company's listing will be cancelled.

On 19 August 2016, the Company has (1) filed the new listing application to the Stock Exchange in relation to the proposed acquisition which constitutes a very substantial acquisition and reverse takeover involving a new listing application; and (2) submitted the updated resumption proposal in response to the resumption conditions to the Stock Exchange.

## **Proposed restructuring of the Group**

The restructuring of the Group consists of:

- (i) Winding-up of International Intelligent System Limited (“IIS”) and Skyban International Holdings Limited (“Skyban”);
- (ii) Capital reorganisation;
- (iii) Placing of new shares;
- (iv) Debt restructuring by way of scheme;
- (v) Issuance of notes; and
- (vi) Acquisition

### ***(i) Winding-up of IIS and Skyban***

Since December 2013, the original business which consists of information technology business, intelligent self-services business and agency business have been suspended gradually (the “Original Business”). The Board considers that the suspension of the business operations of its subsidiaries in PRC was mainly attributable to (a) the labour disputes aroused from the layoff of employees in the respective subsidiaries of the Company from October 2013; and (b) the lack of working capital of the Group to carry out its normal operations due to (i) the failure to achieve functionality upgrade and replacement of the intelligent self-service terminals of the Group, and (ii) the low confidence of the Group’s relationship banks, which ceased and terminated certain borrowings of the Group. The Company had attempted to resume the business operations of its PRC subsidiaries but eventually failed. Accordingly, the Board is of the view that its PRC business operations are no longer viable and the Group should search for other sustainable and viable business opportunities. In view of the above, the Board resolved to wind-up IIS and Skyban, which would in return, carves out the Original Business. On 28 May 2015, IIS and Skyban were placed into liquidation by resolutions of their sole member respectively. Mrs. Kerry Graziola of Deloitte Ltd. in British Virgin Islands and Mr. Darach E. Haughey of Deloitte Touche Tohmatsu in Hong Kong were appointed as the Joint Liquidators of IIS and Skyban.

### ***(ii) Capital reorganisation***

The capital reorganisation (the “Capital Reorganisation”) comprises (i) capital reduction; and (ii) authorized share capital increase. Other than the expenses incurred in the Capital Reorganisation, the implementation of the Capital Reorganisation will not alter the underlying assets, business operation or financial position of the Group, or affect the interests of the shareholders.

In addition, upon the Capital Reduction becoming effective, the credit standing to the share premium account of the Company to the extent of approximately HK\$213 million will be reduced to zero and such credit will be applied to set off the accumulated losses of the Company or part thereof as permitted by the laws of the Cayman Islands (“Share Premium Reduction”). The Share Premium Reduction does not require the approval of the Existing Shareholders or the Grand Court of the Cayman Islands.

### ***(iii) Placing of new shares***

On 22 July 2016, the Company entered into the placing agreement (the “Placing Agreement”) with the placing agent, pursuant to which the Company appointed the placing agent and the placing agent agrees to act as placing agent to place, on a best effort basis, the 50,000,000 placing shares at a price of HK\$0.6 per placing share to not less than six placees who and whose ultimate beneficial owners are independent third parties, subject to the conditions of the Placing Agreement. In addition to the scheme cash consideration and creditors' shares, all necessary scheme costs and preferential claims of the Company, if any, will be settled under the scheme.

On 18 September 2014, the Company and the investor (the "Investor") entered into the notes facility agreement (the "Notes Facility Agreement") with respect that the Company will issue the notes in aggregate principal amount of HK\$30,000,000 to the Investor at zero interest rate for 12 months from the respective issue date of the notes. The holder of the notes may, before the expiry of the respective notes, extend the term of the respective notes for a further term of 12 months. Subsequently on 30 December 2014, the Company entered into a supplemental agreement (the "Supplemental Agreement") with the Investor whereas the Company and the Investor agreed that the completion date for the subscription of the notes with principal amount of HK\$20,000,000 be extended from on or before 30 December 2014 to on or before 31 January 2015. Please refer to the Company's announcement dated 4 August 2016 for details.

**(vi) Acquisition**

The Company is endeavoring to meet the Stock Exchange's requirements, in particular it is in the process of conducting certain group restructuring and has been in active negotiation for a possible acquisition which may constitute a reverse takeover for the Company if materialised. On 29 May 2015, the Company entered into a memorandum of understanding with Jing Chen International Investment (Holdings) Limited and Ka Wah Investment Holdings Limited (together refer to "Vendors"), pursuant to which the Company conditionally agreed to purchase and the Vendors conditionally agreed to dispose of the entire issued share capital of a target Company ("Proposed Acquisition") for a preliminary consideration of HK\$600,000,000 (subject to further negotiation) which shall be satisfied by the issue of 1,000,000,000 consideration shares at the issue price of HK\$0.60 per consideration share by the Company to the Vendors.

On 19 June 2015, the Company as the purchaser and the Vendors have entered into a conditional sale and purchase agreement in relation to the Proposed Acquisition (the “Acquisition Agreement”). ### **Deconsolidation of subsidiaries**

The consolidated financial statements have been prepared based on the books and records maintained by the Group. However, as a result of the Labour Disputes Event and the Missing Documents, by that time, the Directors considered that the control over the following subsidiaries had been lost. Since then, the Directors neither had control over the operating and financial activities, nor any access to the underlying accounting books and records of those subsidiaries. Due to the lack of control and financial information, the Directors considered that it was impracticable to consolidate the results, assets, liabilities and cash flows of these subsidiaries from 1 January 2012.

### **Going concern basis**

The Group incurred a loss attributable to owners of the Company of approximately RMB23,065,000 for the year ended 31 December 2013 and as at 31 December 2013 the Group had net current liabilities and net liabilities of approximately RMB280,409,000. These conditions indicate the existence of a material uncertainty which may cast significant doubt on the Group’s ability to continue as a going concern. Therefore, the Group may be unable to realise its assets and discharge its liabilities in the normal course of business.

The consolidated financial statements have been prepared on a going concern basis on the basis that the proposed restructuring of the Group will be successfully completed, and that, following the restructuring, the Group will continue to meet in full its financial obligations as they fall due in the foreseeable future.

Should the Group be unable to achieve a successful restructuring and to continue its business as a going concern, adjustments would have to be made to the consolidated financial statements to adjust the value of the Group’s assets to their recoverable amounts, to provide for any further liabilities which might arise and to reclassify non-current assets and liabilities as current assets and liabilities, respectively.

### 3. ADOPTION OF NEW AND REVISED HONG KONG FINANCIAL REPORTING STANDARDS

In the current year, the Group has adopted all the new and revised Hong Kong Financial Reporting Standards (“HKFRSs”) issued by the Hong Kong Institute of Certified Public Accountants that are relevant to its operations and effective for its accounting year beginning on 1 January 2013. HKFRSs comprise Hong Kong Financial Reporting Standards; Hong Kong Accounting Standards; and Interpretations. The adoption of these new and revised HKFRSs did not result in significant changes to the Group’s accounting policies, presentation of the Group’s consolidated financial statements and amounts reported for the current year and prior years.

The Group has not applied the new and revised HKFRSs that have been issued but are not yet effective. The Group has already commenced an assessment of the impact of those new and revised HKFRSs but is not yet in a position to state whether these new and revised HKFRSs would have a material impact on its results of operations and financial position.

### Capital management

The Group's primary objective when managing capital is to safeguard the Group's ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, by pricing products and services commensurately with the level of risk and by securing access to finance at a reasonable cost.

The Group actively and regularly revise and manages its capital structure to maintain a balance between the higher shareholder returns that might be possible with higher levels of borrowings and the advantages and security afforded by a sound capital position, and makes adjustments to the capital structure in light of changes in economic conditions.

Consistent with industry practice, the Group monitors its capital structure on the basis of a net debt-to-capital ratio. For this purpose, the Group defined net debt as total debt (which includes interest-bearing loans and borrowings, trade and other payables and convertible bonds) less cash and cash equivalents.

As the Group had a net deficiency in capital at 31 December 2013 and 2012, the Group's gearing ratio as at that dates were not applicable. The Directors have given careful consideration on the measures currently undertaken in respect of the Group's liquidity position. The Directors believe that the Group will be able to meet in full its financial obligations as they fall due upon the completion of the proposed restructuring of the Group, as further explained in note 2 to these consolidated financial statements.
